

## Privacy Policy and Visitor Agreement

www.tamarindkitchen.com and Tamarind the Indian kitchen (**7000243 Canada Inc. o/a Tamarind the Indian Kitchen**) respect the privacy of visitors to our site. Please read this Privacy Policy carefully so that you understand our privacy practices. Questions regarding privacy issues and visitor agreement should be directed to the Agency responsible for the site FPM Marketing and Design to Serina Nielsen in care of FPM Marketing and Design at 1 Duke Street Suite 213, Hamilton ON, L8P 1W9

Children should always get permission from their parents before sending any information about themselves (such as their names, email addresses, and phone numbers) over the Internet, to us or to anyone else. We won't knowingly allow anyone under 13 to register with any of our sites or to provide any other personally identifying information.

The information gathered by tamarindkitchen.com falls into two categories: (1) information voluntarily supplied by visitors to our websites when they register and (2) tracking information gathered as visitors navigate through our sites. Third party providers featured on or linked to by our websites, such as vendors of products and services offered through our sites, may be gathering the same kinds of information.

To help make our sites more responsive to the needs of our visitors, we invoke a standard feature of browser software, called a "cookie," to assign each visitor a unique, random number, a sort of user ID, if you will, that resides on your computer. The cookie doesn't actually identify the visitor, just the computer that a visitor uses to access our site. Unless you voluntarily identify yourself (through registration, for example), we won't know who you are, even if we assign a cookie to your computer. The only personal information a cookie can contain is information you supply. A cookie can't read unrelated data off your hard drive.

Our web servers automatically collect limited information about your computer's connection to the Internet, including your IP address, when you visit our sites. (Your IP address is a number that lets computers attached to the Internet know where to send you data -- such as the web pages you view.) Your IP address does not identify you personally to us. We use this information to deliver our web pages to you upon request, to tailor our sites to the interests of our users, and to measure traffic within our sites.

To make our sites more valuable to our visitors, we may offer some features in conjunction with other providers. We share with these third parties such information as is necessary to provide the products or services. And, of course, our sites include links to other websites, and provide access to products and services offered by third parties, whose privacy policies we don't control.

We reserve the right to release information about our visitors when release is appropriate to comply with law, to enforce our Terms and Conditions of Use, or to protect the rights, property or safety of visitors to our sites, the public, or [www.tamarindkitchen.com](http://www.tamarindkitchen.com)

A final note: The Web is an evolving medium. If we need to change our privacy policy at some point in the future, we'll post the changes before they take effect. By visiting any our site, you agree that your visit, and any dispute over our privacy practices, is governed by this Privacy Policy and our Terms and Conditions of Use.
